"We exist to love and know God more deeply, to grow more like Jesus each day, and to reach the world in the power of the Holy Spirit with the message of the Cross and the Resurrection beginning in the Mulberry community."

Baptist Home Church

Welcome to March! The winds of change are blowing, ushering in a new season with new opportunities and challenges. Ready or not here they come! As we step into this new month of ministry many exciting events are planned for the work and ministry of our church. March has been designated as Focus on the Family month. Each Sunday in March we will focus on a certain aspect of our church family. The first Sunday is Children's Day, followed by Student Day, Celebration Day, Friend Day, and the Senior Adult Day. I am truly excited about these services and all that they will bring to our church family. I believe you're going to be abundantly blessed through the worship and the leadership of all these services. I want to encourage you to commit now to be a part of each one and to make every effort to bring your families and friends with you. Let's believe God together for great things to happen as we Focus on the Family.

A passage of scripture that has become a part of my daily walk is Psalm 145:2, "Every day I will bless You, and I will praise Your name forever and ever." I want to challenge you once again to make this a part of your worship experience. Begin your day with Blessing God. Praise Him for His greatness, for His goodness and for the grace and mercy He pours into our lives. Praise Him for the promises of His word. Praise Him for our salvation in Jesus Christ. Praise Him for His work in your life, for His word, for His spirit, praise Him for His wisdom, for being your creator, your redeemer, your Savior. Let everything that hath breath praise the Lord. I truly believe you will discover that praise will make a great difference in your life. You'll discover more joy, more grace, more blessings, and more and more reasons to praise the Lord. Let's just praise the Lord!

It is with great joy and delight that I look forward to worshipping with you this coming Lord's Day. To God be the glory, for the things He has done!

March on!

God Bless,

Pastor David Jones

Have you heard? There's a movement starting. A movement that beckons all who will take up the challenge. But it is a movement that could have an eternal impact in one, if not many more lives.

It's called "Who's Your One?" And it's a movement that is being established by the North American Mission Board and the President of our Southern Baptist Convention. The movement is founded upon one simple question: What if every believer took one person – just one – and prayed for them, shared the gospel with them, and disciplined them this year. It could be a family member, a neighbor, a co-worker, or someone you see on a regular basis (think grocery store clerk, gas station clerk, classmate, etc.).

Here's a description of the heart of the movement from their website: *Imagine if every believer could answer that question with the name of a person who is far from God—a person for whom they're praying and with whom seeking to share the gospel. That's the intention behind Who's Your One. We believe God's people don't merely need another method for evangelism— what they need is a white-hot passion to see people who are far from God experience the new life He offers through Jesus Christ.*

It's a call to take personal ownership of the Great Commission that Jesus gave us. It's a challenge to be responsible for just one life, one person whom needs to hear God's good news and be taught how to follow Him. At times, the task before the church to reach the nations can seem overwhelming and too complex. But what if every Christ follower just focused on one. How might it change our church? Our state? Our convention?

I have been participating as an adult sponsor at a local middle school club where we have been learning this year about the disciples and what it means to follow Christ. Recently, we talked about Andrew, a disciple who is not mentioned much in the Scriptures like some of the more famous disciples. But, every time Andrew is mentioned, he is bringing one person to Jesus, and one of those that he brought was Peter, his brother, who would later confess the identity of Jesus, the Messiah, and become the leader of the early church. Imagine if Andrew would have never embraced the desire to reach his one; where might Peter have ended up?

For more information about how you can join the movement, go to the website, www.whosyourone.com, where you can learn more about prayer guides and other resources. We hope to implement this movement within our student ministry this year, because after all, students are part of the Great Commission too.

Important things to remember:

March 10 – Student Day Worship Service (PM outing)

March 20 – MFUGE Fundraiser (Pancake Supper)

Music Notes

"As the deer pants for streams of water, so my soul pants for you, O God" Psalms 42:1. A few days ago Velma shared with me, as was shared with her on Facebook, the song "As the Deer" being sung in eight different languages, then they all sang together in English. It is great to hear scripture sung in different languages. God inhabits the praise of His people and we have the opportunity to praise Him each week in our worship services. Why not?

I am so pleased with our choir and their faithfulness to lead in worship each week. We still have room for more singers to join us. The back row is almost full of men but I would like to have two rows. We also need women, so if you are thinking of joining, why not? We are grateful for Mary Ruth, Rusty and Josh for the music they provide each week which add so much to our worship.

It is great to have the students and children singing in our services and if anyone is interested in singing the special music, please sign up on the list in the choir room. Please list the song and preferred date.

Let us lift our voices together in praise to our Lord and Savior.

UPDATE

I wanted to let everyone know what is going on in my journey with cancer. I have been accepted to participate in the clinical trial at MD Anderson in Houston. We are leaving Saturday, taking 3 days to get there this time. My appointments start on Tuesday, Wednesday is my busiest day, Thursday I see Dr. Jazaeri and have my first infusion.

The trial involves immunotherapy. I will given 2 drugs duvalumab and tremelimumab administered in combination versus sequentially. The group I am place in is randomly selected.

We are excited about being chosen and believe this is God's plan.

Pray for few side effects and a reasonable place to stay. At this time we plan to be gone 5 weeks, during this time I will have 2 infusions. I will have 13 cycles, each one is 28 days.

Dear Church Family

I was overwhelmed and so grateful by the support that our Baptist Home Church family showed for the Walk by Faith Benefit Spaghetti Supper last Saturday night.

Thank you so much to those who purchased tickets and came, to those who so graciously gave donations to the camp, and to all the women who baked a total of 10 cakes that were donated for the cake auction.

A total of \$3,100 was raised to help install the bathrooms and hopefully complete the building for inspection so it can be used by groups for this season.

Again, thank you!

Jane Ward

To My Baptist Home Church Family,

It's good to be part of such a caring church.

FA Absher

Hometown Kids

March 2019

We are experiencing excitement these days in HOMETOWN KIDS!

Our Wednesday night program, THE FOCUS, is growing! Kids are inviting kids and it is exciting and wonderful. Not only are we growing in number, but I can see spiritual growth among the kids. It is such a blessing to work with them and watch them grow. You will hear and see some of this for yourself on **CHILDREN'S DAY**, which is **MARCH 3rd**.

We are **EXCITED** because we are moving to a new-to-us space for our Large Group meetings. On Wednesday nights, we operate on a Large Group/Small Group basis. In Large Group we move around to music and play games that go with our lesson and sometimes our current space can become very cramped. When an Adult Sunday School class moved upstairs, we were **BLESSED** with this space. Plans are in place to decorate and paint the room in a way that will make kids feel welcomed and loved. We hope to move in around the first of April. Please stop by and see our progress!

Lots of things are happening! Here are some upcoming events we have that you might want to know about and that you might can help with. I have also listed some items needed for these events that you may have at home and could either donate or loan.

EASTER CELEBRATION EGG HUNT: Saturday, April 20.

Volunteers are needed for this event. It is a **COMMUNITY OUTREACH** where we share the **TRUTH** of Easter in a kid-friendly way. More info will be coming soon, but reserve a spot for this event on your calendar.

MOTHER DAUGHTER BRUNCH, Saturday, May 11 @ 10:00 a.m.

Our Theme this year is "LET ME BEE"...with our theme verse being Proverbs 16:24. Our decorations will follow the "BEE" theme. If you happen to have any BEE décor you would be willing to loan, please let me know. I'm specifically looking for Bee Skeps, Bee Hive jars, and honey bee or bumble bee type decorations. **ALSO**, if you have any amber colored glassware, please give me a "buzz." (Pun intended) **MELODY HESTER** will be our guest speaker for this event. Melody spoke at our **UMBRELLA PRAYER EVENT** last year and did such a wonderful job.

VACATION BIBLE SCHOOL is July 14-18, 2019.

Oh! How we **LOVE** Vacation Bible School here at Baptist Home Church. This is a week where the **ENTIRE CHURCH** can be involved in some way. This is a **COMMUNITY OUTREACH**. This is a "mission trip" where you can participate and then enjoy the luxury of your own bed.

Our theme this year is "ROAR". It is an **AFRICAN DECORATION THEME**.

Here are some items you may can donate or loan. I will add more to the list in the days ahead.

BASKETS of all sizes, but specifically tall "grass woven" look baskets.

Bright colored fabric. All prints and colors are acceptable.

Grass Skirts (you may see these in Dollar Tree). If you want to donate some to the cause, that would be appreciated)

African safari animals. I am looking for Lions, Giraffes, Hippos, Monkeys, etc. (**NO TIGERS** as they are an **ASIAN** animal)

Any African relics you have in your home from mission trips that can be used in decoration such as drums, fabrics, clothing, etc.

I'll let you know more in the days ahead.

Are you tired yet? These things **ENERGIZE** me because they are sooooo exciting and they are ways to reach kids and adults alike with the gospel of Christ. I hope you'll join the excitement by getting involved.

Until next time,

Tammie Jones
